

<p>The world around us is just like a machine that runs itself.</p>	<p>Jane's healing was due to medical technology and God answering prayer. It was miraculous.</p>	<p>God shows us through our conscience what is right and wrong.</p>
<p>Our consciences are just emotions operated by the nervous system.</p>	<p>The world is created by God.</p>	<p>There is no purpose in life. Just fit in with your surroundings and do your best.</p>
<p>The more discoveries I make the more I am convinced that God must exist.</p>	<p>It was entirely due to medical technology that Jane's healing has taken place.</p>	<p>I think there must be a power beyond the universe.</p>
<p>Our bodies rot but our spirits live on.</p>	<p>Although our brains are dead the real us goes to be with God.</p>	<p>Death is when our brains and all the rest of our body organs stop working.</p>
<p>Evolution is the process by which species change and develop. It could have been a process created by God.</p>	<p>The purpose of life is to do the greatest good to the greatest number.</p>	<p>Jane's healing was a miracle.</p>
